 Subject : Temporary embargo on truck shipment & restriction imposed in CX China online station 45th update

Dear Customer,

Further to CSA – 2209009 issued on 14Sep22 and below please find the latest update of the embargo and suspension of truck services & restrictions imposed in CX China online stations with immediate effect.

Changes:

- PVG, XMN & NKG updated.

Truck service suspension:

Transit station	Destination	Remark
All China stations except CGO	XIY	Trucking services to XIY except CGO were suspended until further notice.
PVG	All destinations except NGB to/from PVG	Truck transfer service to NGB has resumed with Schedule on D2
CGO	NKG / HAK / FOC / SHE / HRB / TNA / WNZ / HET / CGQ	Single Prepack and skid type are still highly recommended for cargo via CGO. All shipments via CGO to other destinations by truck, please provide the declaration sheet with MAWB, commodities and HS code and send to fd.qc@hnqcwl.com before arriving CGO for transfer arrangement. All DG shipments including ELI/ELM cannot be accepted via CGO to PEK.
